

Build a Secure Financial Future

You are working hard to prepare for your family's future. In the event of your premature death, could your family afford to maintain the lifestyle that you are working so hard to achieve?

The foundation of your financial security is your income. The purchase of a life insurance policy creates a death benefit when you die that provides income for your family.

American General Life Companies

Policies issued by:

American General Life Insurance Company
2727-A Allen Parkway, Houston, TX 77019

**The United States Life Insurance Company
in the City of New York**
70 Pine Street, New York, New York 10270

The underwriting risks, financial and contractual obligations and support functions associated with products issued by American General Life Insurance Company (AGL) or The United States Life Insurance Company in the City of New York (USL) are the issuing insurer's responsibility. USL is authorized to conduct insurance business in New York. Policies and riders not available in all states. Guarantees are subject to the claims-paying ability of the issuing insurance company.

Life Insurance for Income Replacement

Policies issued by:

**American General Life
Insurance Company**
**The United States Life Insurance
Company in the City of New York**

Life insurance can help protect your family's financial future.

In the event of your premature death, could your family...

- afford the mortgage payment?
- send your children to the college of their choice?
- remain in their home?
- maintain their current standard of living?
- pay the bills?

Fortunately, life insurance is available to help...

- pay off the mortgage
- replace lost income
- establish an emergency fund
- create an education fund

A review of your monthly income with your insurance agent and the following worksheet can help determine the insurance amount needed to replace your income in the event of your death.

Name: _____

Date of birth: _____

Male Female

Current monthly income: \$ _____

Choose the amount of death benefit you need from the income replacement chart below:

Death benefit needed to generate monthly income for a certain number of years*

Monthly Income	10 Years	15 Years	20 Years
\$1,000	\$100,000	\$140,000	\$170,000
2,000	200,000	280,000	340,000
3,000	300,000	410,000	500,000
4,000	400,000	550,000	670,000
5,000	500,000	680,000	830,000
6,000	600,000	820,000	1,000,000
7,000	700,000	950,000	1,200,000

* Assumes 4 percent annual net interest earned combined with a systematic liquidation of principal to provide income for the stated period. 4 percent is not guaranteed and is used for illustrative purposes only. All insurance amounts above have been rounded up to the next \$10,000.

Complete a family life insurance needs analysis in just 5 minutes

Step 1
